TOWN WARRANT

THE STATE OF NEW HAMPSHIRE

To the Inhabitants of the Town of Danville in the County of Rockingham in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at the Town Hall in said Danville on Tuesday, the ninth day of March, next, at four of the clock in the afternoon, to act upon the following subjects:

1. To choose all necessary Town Officers for the year ensuing.

2. To hear the report of the budget committee, and act thereon.

3. To raise such sums of money as may be necessary to defray town charges for the ensuing year and make appropriations for the same.

4. To see what sum of money the town will vote to raise and appropriate to repair the several highways and bridges.

5. To see what sum of money the town will vote to raise and appropriate for snow paths.

6. To see if the town will vote to raise and appropriate a sum of money necessary to obtain State aid on town road maintenance.

7. To see what sum of money the town will vote to raise and appropriate for the Public Library.

8. To see if the town will vote to raise and appropriate a sum of money to be used in improving the cemeteries.

9. To see if the town will vote to raise and appropriate a sum of money for the observance of Memorial Day.

10. To see if the town will vote to raise and appropriate the sum of \$500.00 to build a piece of the Sandown Road.

11. To see how much of the Parsonage Funds the town will vote to spend for preaching for the ensuing year.

12. To see if the town will vote to authorize the selectmen to hire money for the use of the town.

13. To choose delegates at large, alternate delegates at large, delegates and alternate delegates to the National Conventions.

14. To choose a representative to the Constitutional Convention.

15. To transact any other business that may legally come before the meeting.

Given under our hands and seal, this fourteenth day of February in the year of our Lord nineteen hundred and forty eight.

GEORGE W. SHATTUCK,
CHARLES M. HARPER,
HOLLIS M. ANDERSON,
Selectmen of Danville.

REPORT OF LIBRARY TRUSTEES

Your trustees are happy to report another year of successful operation of our town library, with several items of importance to be noted.

We would honor the memory of Mr. Lester A. Colby who departed this life July 10, 1947. He was a real benefactor of the library through his gift of \$2,500.00, the interest of which is to be used annually for the purchase of books, and another of \$6,000.00, with a building lot, for the erection of a library building. Not long before his death he added \$4,000.00 to the amount, a total of \$10,000.00. Surely his works do follow him.

To Mrs. Robert A. Hicks, librarian, and Mrs. Alden D. Colby we are again indebted for the loan of many current books.

A gift of books from Rev. O. L. Brownsey is acknowledged with thanks.

Books have been regularly lent to the Mary J. Sanborn library at North Danville. This library is open every other Wednesday afternoon for three hours, and is well supplied with books by the State Library. Miss Edna G. Towle is the librarian.

The amount spent for the library, with receipts, appears in the financial report of the Selectmen.

FOREST FIRE PROBLEM SERIOUS

The year 1947 was one of the worst periods of drouth and forest fire occurence in eastern United States history. Lack of water ruined crops, lowered water levels and dried up brooks everywhere. Three months of deficient rainfall and abnormally high temperatures resulted in many fires which were mostly well controlled and kept within bounds. Only the high winds beginning on October 23rd caused a few fires to escape beyond immediate control. These few fires resulted in burning some 15,000 acres and the loss of 63 or more buildings in four New Hampshire towns.

All October fires were costly. They burned deeply in the ground and required day and night patrol of large crews of men until the rains came late in October. Towns which escaped from serious fires might easily have been in the midst of the most serious conflagrations we had.

Governor Dale closed the woods effective at midnight of October 15th. With the blow-up of October 23rd, a second proclamation closed all back roads and authorized towns to inaugurate patrol. The effect of this was to cut down subsequent fires for the rest of the dry period.

Local fire warden forces performed an admirable job to hold the more than 200 fires that occurred during this October period. Many men were taxed to the utmost as the emergency continued. To them and all those who did their work, the people of New Hampshire owe a debt of gratitude. The state forest fire control agency based on local town wardens and town crews wherever adequately equipped rose to the occasion and met the test, in whatever town their services were needed.

It is now time to take stock everywhere of our fire fighting facilities for the season ahead and to make them adequate where necessary. To this end town fire

plans and training programs for wardens, deputies and other key men in each district are being arranged or in progress. If equipment and tools are insufficient properly to equip the available man power in each community with the right tools for the job, they should be provided for at once. The yearly addition of fire tools to the town supply will generally need to be built up. The state sells tools to the towns and shares one-half their cost. Good equipment is important and can help greatly to keep both damage and fire costs at a minimum.

For many years we have requested our wardens not to issue burning permits except on rainy days. This regulation will be in effect again this year as it is one of the best means of assuring such fires from getting out of control. Nine out of every ten fires can be prevented, 98 percent of all fires being due to human carelessness. Be sure to get a permit for any fire in or near woodland when the ground is free from snow. Be sure your fires are always out before you leave them. Help us in getting the travelling public to keep from throwing out lighted matches or cigarettes. Be careful of all fires in or near woodland.

SUPERINTENDENT'S ANNUAL REPORT

January 15, 1948.

To the School Board and Citizens of Danville:

It is with pleasure that I submit my first report as Superintendent of your schools. There will be included in this report statistics concerning Mr. Osgood's term as well as for my first four months in the position.

In early September the driveways and apron of the Eaton School were graded and tarred. This will aid greatly in a cleaner school and better conditions for the children in the spring and fall. Such improvements show good planning and fine community spirit on the part of town officials.

Danville was fortunate in being able to retain its teaching staff for this year. More progress is made by retaining satisfactory teachers than can be made with continual replacement.

Costs of educational materials have increased markedly during the past few years and a survey shows there will be at least 15% increase during the coming year.

The Eaton School itself is in good condition, but some painting and plastering on the interior should be done. It would also be well to consider the installation of an oil burner in the present furnace, thus eliminating storage of combustible materials in the cellar and the necessity of students firing the furnace.

It has been necessary in two cases to advance pupils so they would be with their own age group. These advances have proven to be for the best interest of the children.

It is my duty to deal with the problems concerning your school and to work out a satisfactory solution with the aid of the parents, teachers, and School Board. May the citizens of Danville feel free to call on me when any such problems arise.

At this time I wish to thank the teachers, School Board, and citizens of Danville, who have made me feel that I "belong" and have given me such fine cooperation and encouragement.

Respectfully submitted,

ARTHUR W. DANIELSON,

Supt. of Schools

REPORT OF THE MUSIC DEPARTMENT

To the Superintendent of Schools and School Board of Danville, N. H., I hereby submit the annual report of of the music department.

Everyone needs music. Beginning with the first grade student, this need manifests itself in many ways. The primary student responds readily to the rhythmical beat of a marching song and enjoys to the utmost the many singing games. The elementary student enjoys singing with others and perfecting the tone, and then finally progressing to the more difficult two and three part music. It is not right to expect everyone to develop musically on a common pattern. The musical child is not necessarily the one who possesses a beautiful voice. The musical child is one who possesses an inner urge towards music. Therefore, it is the work of the music teacher to evoke in a child a keen enthusiasm for music, which will remain over a period of years and steadily build to higher levels.

The Danville school is progressing favorably according to this pattern. Each student seems to enjoy some type of musical expression.

The primary grades have new books this year and are enjoying them very much. New material seems to supply a very great stimulation.

The school is planning to present an operetta sometime early in the spring. The cast will include the entire school. Teachers and pupils are working diligently to to make this performance an outstanding success.

In conclusion, may I express my appreciation to the teachers for their cooperation during this school year.

Respectfully submitted,
PRUDENCE HAYES

HEALTH SUPERVISION

1946—1947

To the Superintendent of Schools and School Board of Danville, N. H.

Of the 84 pupils examined during the school year, 1946-1947, the following cases were found and treatment was given as indicated.

	No. Cases	No. Receiving Treatment	No. Corrections or Improved
Uuderweight	7	5	2
Defective vision	3		3
Defective teeth	14		9
Diseased tonsils	3		3
Enlarged glands	4		2
Orthopedic	1	1	
Skin disease	11		11
Pèdiculosis	8		8
